Principles of the care leaver covenant

Her Majesty's Treasury supports the key principles of the care leaver covenant, which are:

- that all parts of society have a responsibility to help care leavers to avoid poor outcomes and make a successful transition to adulthood; and
- that action to support care leavers should be in their best interests, promote their health and well-being and secure the best possible outcomes for them.

Demonstrating our commitment

Her Majesty's Treasury will demonstrate its commitment to the care leaver covenant through the following actions:

- seeking to provide suitable employment opportunities to care leavers, through offering apprenticeship placements.
